

**IMMERSE YOURSELF IN A REAL-LIFE ZELDA  
ADVENTURE WITH “DEFENDERS OF THE  
TRIFORCE”, COMING TO EUROPE IN 2017**

*Nintendo Partners with Escape Room Creator SCRAP  
for a Legendary Puzzle Experience*

London, May 3<sup>rd</sup>, – While playing one of the classic games in the beloved The Legend of Zelda franchise, who hasn't wanted to step through the screen and experience the exploration, adventure and puzzle-solving in real life? With “Defenders of the Triforce,” that dream can become a reality. Nintendo is partnering with SCRAP, the renowned designers of many popular escape room experiences, to bring a unique multi-city Puzzle Tour inspired by The Legend of Zelda series to Barcelona, Paris, London and Cologne this summer.

While the words “escape room” might come to mind when describing this new experience, “Defenders of the Triforce” is so much more than that. Instead of escaping from a locked room, participants work in teams of six to solve a mystery in a huge area, all within a set time limit. The experience will let guests interact with classic items and characters seen in The Legend of Zelda series like the Goron, Zora and Kokiri tribes. The items can be used to solve puzzles and move forward into other areas, just like in The Legend of Zelda games.
